Hôtel *My room is like a cage. The sun reaches in through the window. But I want to smoke and make mirages, and so I light my cigarette on the sun's fire. I don't want to work, I want to smoke.*

Madrigal del peine perdido *There, there, my love. Your little comb, how green it was! You've lost the little comb made of green glass. There, there, my love. Sleep, that in the sea, that lost garden, your comb comes and goes through the hair of a little green mermaid that brushes by the shore, while the shore comes and goes. Sleep, my love, because it comes and goes.*
